## TEACHER'S DIARY

Academic Year: 2021 - 2022

Name of the Faculty: MR. KARNEKAR SANDIP V.

Department : COMMERCE.

## Concept Note

Through quality initiatives, institutions of higher learning are held to high standards. To achieve this goal, Teachers' Diaries encourage teachers to record lesson plans, participate in co-curricular activities and engage in other co-curricular interventions. The teachers' conscious efforts are reflected in this document. This concept encourages teachers to evaluate their own performance, be accountable for their teaching, and use innovative pedagogical practices. It helps teachers keep track of their schedules and accomplish their to-do lists.

It is therefore highly significant that teachers' diaries are properly documented on a timely basis by the IQAC.
