“Report on Feedback for A.Y. 2021-2022” **(Syllabus and Course Content)**

Feedback on 'Syllabus and Course Content' is sought from the students and various other stakeholders such as alumni, teachers, parents and employers, online through Google Form. The feedback link is activated in the month of March/April every year for a period of 15 days. IQAC prepares a notice for all stakeholders and calls upon them to give feedback on Syllabus and Course Contents. Orientation sessions are organised for the student's giving details of the role and importance of feedback and action taken by the College on the responses of the stakeholders.

The students and alumni fill up the questionnaire and get them filled up from their parents and employer, where the students or alumni are employed.

The output of the Feedback is generated online in Excel and analysed by IQAC with the help of teachers and office staff. The reports so generated are shared with the principal and forwarded to the Board of Studies, Faculty of Commerce and Management, University of Mumbai.

Action Taken on Feedback on Syllabus and Course Content

Various stakeholders evaluate the Syllabus and Course Contents of each Programme on the basis of the following 15 parameters:

3. Relevance of course content
4. Project work, if any.
