The Department of Women's Development Cell of Siddharth College in Coordination of IQAC organised an Intercollegiate Online workshop on women's safety and empowerment of the girl students. Program started by 11:00am with registration process of the students. Participants of other colleges from various parts of Mumbai had enrolled themselves.

Advocate Ms. Soniya Gajbhiye, Bombay High Court, Nagpur Bench was the Resource Person. She said that the Women empowerment in India is the most effective tool for development of any nation. Women across the globe, these days, have been taking active part surpassing others in all the spheres of their life. As the entire world is clasping its breath and praying every single day for an incredible escape from the COVID-19 Pandemic, it is the women governs and nations steered by these amazing figures who are taking over the responsibility and marching ahead in the battle alone wherever required.

Women empowerment in India is dependent upon, to a great extent, on numerous variables that encompass geographical setting (rural/tribal), social status (caste and class), educational status, and age factor. Actions on the women empowerment exist at the state, local (panchayat), and national levels. However, women encounter differentiation in most sectors like education, economic opportunities, health and medical assistance, and political participation, which demonstrates that there are substantial gaps between strategy advancements and real exercise at the community level.

There was considerable discussions after the lecture, though the medium of workshop was online. The Resource person provided her contact number and asked to call her any time in case required any legal recourse.

### Highlights of Workshop: The workshop highlighted the following.

- ❖ Gender Discrimination must be Checked
- ❖ Realized that mass media is Bringing the Transformation
- ❖ Steps need to be taken with regard to Implementation of Women Development Programme along with various Acts
- ❖ Women's Attitude need to be changed. They are made to realize that any sort of women's issue must be reported to the police.

Principal Dr. R. P. Paul thanked all the participants. He specially thanked Adv.Soniya Gajbhiye for sparing her valuable time with the college programme all the way from Nagpur.

### Outcome of the workshop:

Session was useful for girls. They learned new techniques and felt motivated to defend themselves at the time of threat.

- Focus was overall development of women/ girls which we achieved.
- Participants demanded more such programmes in future.
- The college decided to organize more such programmes in future.

The National Service Scheme unit of the college in coordination with Vidyadham Yog Kutir organized 8<sup>th</sup> International Yoga day on 21st June 2022 with great enthusiasm. Principal Dr. R. P. Paul supervised the arrangements of this session. Dr. Ankush Aundhkar was the Guest of Honour of the Programme.

The team of Vidyadham Yog Kutir reached the college campus sharp at 07.30 am and arranged the event in a systematic manner. Instructions were already given to the participants to take part in the Yoga session.

The session was coordinated and conducted under the leadership of Smt. Vidyabai sathe, Certified Yoga trainer with Vidyadham Yog Kutir, Badlapur. She narrated various incidents and experiences of her personal life and explained how her life changed after practising Yoga. She said the imminent requirement practising yoga specially for today's youth and to save them from the cluster and influence of multimedia like whatsapp and distractive videos.

Smt. Pushpalata Yadav also from Vidyadham Yog Kutir, Badlapur also performed the Yoga demonstrations. After which a few warm up and simple Asanas were performed by the students and the teachers enthusiastically and the importance of these Asanas was explained simultaneously by Smt.Pratibhatai Dhamle Prof. Miss Suvarna Padir explained about 'The Positive Framework of Meditation'. She began by explaining how negative thoughts disturb a person. Negativity she said increases the hormonal imbalance in people and thus there is a confusion of thoughts leading to stress.

Ms.Pushpalata Yadav also spoke about her experience as a counsellor where she has patients ranging from the age group 3 years to 90 years. She emphasized the fact that purity of thought increases positivity in a person. Purity of thought increases mentally and physically strong people, which further create a positive nation leading to positive world. She emphasized that it is the responsibility of the teachers to imbibe positive thoughts among students. She conducted a 3-minute meditation session with the students and teachers and professed the regular use of meditation in one's life.

Prof. Sangewar Santosh told the students that the International Yoga Day is a gift to the world by PM Modi, who put forward proposal on 11th December 2014 in the United Nations General Assembly (UNGA), which was accepted by 193 Nations. 21st June is since been celebrated as International Yoga day.

Principal Dr. R. P. Paul explained the importance of breath in meditation. He told the students they should read ancient Indian texts like Patanjali Maharishi's 'AshtangYog' along with personality development books by International writers. She encouraged the students to practice Yoga and meditation on a regular basis for a healthy body and mind. The function ended with a vote of thanks by Mr.Navnath Kedar. The function was organised by Prof. KambleChandrakant , Prof. Karnekar Sandip, Prof. Bhande Sarvesh, Prof. Jadhav Nandkumar along with all the Professors and office staff who put in a lot of effort to make the function a success.

## Report on Haemoglobin and Health Check-up Camp

Date : 17<sup>th</sup> March 2023  
Venue : Seminar Hall.  
Duration : 09:30 am to 05.00 pm

The National Service Scheme, Women Development Cell of the College Cell and Rotary Club of Kalyan, Primary Health Care Hospital Sonawala jointly organised a Health camp on Haemoglobin check-up and Thallasaemia Test. The camp was organized for the staff and students of the college.

The Health Check-up camp began at 09.30 am on 17<sup>th</sup> March 2023 and continued till 05.00 pm. Dr.R.P.Paul, the Principal, in his inaugural address hinted the need of testing for Thalassaemia for its deadly blood disorder.

Mr.Vidyadhar Gangurde, representing Rotary Club of Thane delivered a informative speech on Thalassaemia . He said that the Thalassaemia test is required only once in life time. He suggested the youngsters to convey this message to their peer group before getting themselves married. No matter if one of the partners is Thalassaemia Minor. If both the husband and wife are Thalassaemia minor, there is a possibility that their child could be a Thalassaemia Major. He quoted the case of Superstar Amitabh Bacchan who is the holder of Thalassaemia minor. He is survived luckily as Jaya Bacchan, his wife is not Thalassaemia minor.

Express his view haemoglobin test measures the levels of haemoglobin in the blood. Haemoglobin is a protein in the red blood cells that carries oxygen from the lungs to the rest of the body. If the haemoglobin levels are abnormal, it may be a sign that one may have a blood disorder. A haemoglobin test is often used to check for anemie, a condition in which the body has fewer red blood cells than normal.

Resource Person Vidyadhar Gangurde Express his view haemoglobin test measures the levels of haemoglobin in the blood. Dr.Archana Gharud coordinated the entire event in a systematic manner.

In the camp, 47 male and 52 females got tested for haemoglobin. Out of the 102students. only 6 of them were found to have their haemoglobin level measured below 5 whereas the level of others was above 10.

This event was systematically organized by the team headed by Mr.Karnekar Sandip, the IQAC Coordinator and Programme Officer Ms. Smita Narwade, the Convener WDC, Ms.

Gayatri Gayal of PHC Hospital, Boradpada and Mr.Vidyadhar Gangurde from Rotary Club of Kalyan. The support rendered by Ms. Vaishnavi Gite and Ms.Vaibhavi, the Nursing Assistants were appreciable.

The support given by other faculty like Mr. Jadhav Nandkumar, Head, Dept of Political Science, Assistant Professor and Mr., Kanjina Ashwinikumar, Department of Commerce were noteworthy.

**REPORT ON One Day Workshop  
on “Vermi Compost & Water  
Harveting”**

**Department of Botany & NSS with coordination if IQAC.** conducted One day workshop on Vermicompost and Water Harvesting for the under graduate and post graduate students on 21 December, 2022. The Resource person of this programme was Mr. Sachin Torve (Agriculture Asst.) and Mr. Avinash Vadate ( Agriculture Supervisor) Ambernath.. Chairman of this programme is Hon.Nagesh S.Jadhav . On the given speech Mr. Avinash Vadate and Mr. Sachin Torve says Vermicomposting is known to be the world’s best fertilizer. Vermicomposting is a method of preparing enriched compost with the use of earthworms. It is one of the earliest methods to recycle agricultural waste and to produce quality compost. Vermicomposting is stable, fine granular organic manure, which enriches soil quality by improving its physiochemical and biological properties. It is highly useful in raising seedlings and for crop production. Vermicomposting is becoming popular as a major component of organic farming system. Raw material needed for Vermicomposting are:

1. Cow dung
2. Straw
3. Dry leaves
4. Water
5. Soil
6. Gunny Bag

Collection of Raw Materials:

1. Collection of Cow Dung: Cow Dung was collected in a cow shed in a nearby village from the vermicompost pit. Around 30 bags of cow dung was taken from the shed and carried by the college vehicle to the compost pit.

2. Collection of Dry Leaves: Dried leaves were collected in a large amount in the forest (Tangnuam) a little farther away from the vermicompost pit and it was carried by the college vehicle upto the compost pit

3. Collection of earthworm and straw: Earthworm and straws are collected by the students independently from different places and brought to the college with their own transport system.

4. Collection of Soil: Soil was collected within the campus itself and is carried using the college rickshaw as the distance to the compost pit was short distanced.

5. Water: Water was already available in the college campus so it was taken from the college itself

**Purpose :**

- Reduce surface water flow velocity
- Enhance infiltration, thereby recharging soil moisture and groundwater
- Prevent soil erosion and washing-out of nutrients
- Prevent silting of water bodies

**Objectives:**

The main objectives of this project is to provide water throughout most of the year 90% farmers in selected vulnerable areas in dry zone, through property maintenance of minor irrigation bund system.

Contour bunds and contour trenches prevent soil erosion by intercepting surface water runoff. They are constructed along lines of equal elevation (contour lines) at a right angle to the slope of a plot of land.

• Construct a level crop field that can be easily worked Terraces, contour bunds and trenches should ideally be implemented in combination with other practices of sustainable agriculture, such as agroforestry, farmer managed natural regeneration (FMNR) and sustainable rangeland management.

A Blood donation camp was organized by our NSS unit, in collaboration with Rotary Club Blood Bank, Badlapur, through which more than 29 units of blood was donated by both students and the staff members of our Siddharth College of Arts, Commerce and Science Boradpada. It is a way of Siddharth College, Boradpada gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

**Event objectives:**

1. To collect blood units but also to make students aware about blood and its benefits.
2. It was an effort to motivate students to come forward and donate for this noble cause.
3. First time donors need to be encouraged so that once the initial hesitation/ fear goes away, the donor will look forward to such camps in near future too.
4. To help anyone, in case of any requirement for blood.
